
DISCIPLES CROSSING CAMP

HAVE YOU EVER WANTED A SUMMER JOB AT A CAMP?

Disciples Crossing Camp in Athens, Texas, is hiring a Nurse intern for summer 2021! This is our 3rd summer to offer this program.

At its foundation, our summer internship is about service. There are long hours and hard work involved in camping ministry. You'll gain job experience in a wide range of job skills, build camaraderie with fellow interns through work and planned events, and have the opportunity for spiritual growth individually, with other interns, and our various camp groups.

The program has been growing and changing since its inception, and we hope that this summer will be the best one yet. Interns will live out the servant leadership that we see modeled by Jesus in the Gospels. It is an opportunity for those who feel called to do so to put the needs of others above their own needs. We invite you to prayerfully consider spending an entire summer on Holy Ground, and we appreciate your interest in serving as a summer nurse intern at Disciples Crossing Camp. Please read the following Job Description carefully, then submit an Application as instructed.
